FOR HIRING MANAGERS · BUSINESS INTELLIGENCE ATLAS

Hire a senior Fabric & Power BI contractor direct

No agency markup · remote across the UK and Europe · proposal within 48 hours

Who you would work with

Tomasz Kuler, lead Microsoft Fabric, Power BI and AI data consultant, 12+ years delivering data platforms, BI and analytics. Senior and hands-on: the person who scopes the work builds it. Profile · LinkedIn

Roles typically filled

- Power BI developer or lead: semantic models, DAX, RLS, deployment
- Microsoft Fabric engineer or architect: lakehouse, warehouse, pipelines, Spark
- Dynamics 365 F&O, Oracle Fusion, Unit4 or SAP reporting contractor
- Data migration and reconciliation contractor
- Part-time, fractional or interim BI leadership

Selected experience (sector only)

- Fabric lakehouse and enterprise data model for a cancer research institute moving from Unit4 Agresso to Oracle Fusion Cloud ERP
- D365 F&O reporting moved into a Fabric Warehouse via Fabric Link for a national food manufacturer
- Group reporting platform for a private equity-backed healthcare communications group
- Data transition lead through a major UK retailer's IT separation (Azure, Databricks, Power BI)

Core skills

Fabric: lakehouse, warehouse, OneLake, Data Factory, Dataflows Gen2, PySpark, Spark SQL, T-SQL, capacity. **Power BI:** semantic models, DAX, Direct Lake, RLS, deployment pipelines, paginated reports. **Azure:** Synapse, Databricks. **ERP:** Dynamics 365 F&O, Oracle Fusion, Unit4 Agresso, SAP, Xero, Sage. **AI:** Copilot Studio, Fabric IQ, Azure AI document extraction.

How direct hiring works

- **1.** Send the role, dates, duration, working pattern and location
- **2.** Short call to check fit and what good looks like
- **3.** Proposal with day rate and terms within 48 hours
- **4.** Business-to-business contract with Business Intelligence Atlas Limited

What the agency margin costs

	Via agency	Direct
Day rate to you (example)	£720	£600
24 weeks × 5 days	£86,400	£72,000
Difference		£14,400 lower

Illustration only: £600 example rate with a 20% agency markup. Try your own figures in the cost calculator.

Good to know

- Availability is confirmed per enquiry, not advertised
- IR35 status is assessed per engagement on the actual working arrangements; no outcome is promised in advance. IR35 checklist
- Remote-first; on-site days by agreement
- Documented handover so your team can own the work
